

Dear Snowmobiler

The fantastic snow we had last winter ended all too soon. Sleds were out everywhere, and our four groomers did a super job of giving everyone great trails to ride and the capability of grooming everything twice a week when needed. Funding for this additional weekly grooming has to be raised locally so your membership support is needed to help us raise additional grooming dollars. Currently less than 5% of the registered sled owners in Douglas County support your trails with a DATA membership, so please ask your friends to join and help us groom more than once a week when needed .

There are some trail changes this year and we encourage you to stop in at one of our local snowmobile dealers in early November and pick up the new trail map. For more information please go to the DATA website at www.douglasareatrails.com.

DATA is not holding a fundraising banquet this year, but is planning some fun winter rides instead. We could really use your support and we ask you to become a member for the 2012 season. The annual membership is \$40 and includes your membership in MNUSA, our state snowmobile association

Your membership is especially important this year thanks to the SKI-DOO MILLION DOLLAR CLUB SUPPORT PROGRAM. DATA will receive \$10 for every club donation certificate filled in and left with our local Ski-Doo dealer (Ollie's Service) in Alexandria. You don't have to be a Ski-Doo owner or rider to participate. **A club member can help pay for grooming one mile of trail this winter just by filling out the certificate between September 1st and November 15th, 2011.** The certificate is available at ski-doo.com or you can pick one up at Ollie's Service.

We could go on, but the \$40 combined membership is a great value and it is your way of supporting your sport. Please fill in the information below and send it to DATA as we need to update our roster before the snowmobiling season begins. Don't forget to drop by Ollie's Service with your certificate and this will earn another \$10 for DATA as well.
