

Sponsor-a-Trail Request

For the past 19 years supporters of the DATA Trail system have had the opportunity to be a trail sponsor and have their name or business name on 2 special signs erected along the DATA trail during the winter snowmobile season. This program came about because of the need to raise matching dollars to supplement the reimbursement funding which comes from the state and is used to pay about \$1 out of every \$3 of the expense incurred by DATA in building, maintenance and grooming of our 380 miles of trails. Each sponsored mile represents a \$100 contribution to DATA's annual fundraising effort to pay for our 1/3 share of the operating cost of maintaining our snowmobile trails. Sponsorship contributions can be in the form of donated materials, map ads, prize donations to our fundraising banquet, equipment donations, or simply cash.

We thank you for your interest and ask you to become a 2009-10 Trail Sponsor.

TRAIL SPONSORSHIP APPLICATION

2009-10 Trail Sponsor name: _____

(Remember to limit the name to two lines of 15 or 16 characters, including spaces)

\$ _____ enclosed for _____ Mile(s) of trail for the 2010 Sponsor-A-Trail Program. (Each sponsored mile is a \$100.00 contribution) *Special note: According to our records you have already made a \$ _____ contribution to DATA in this sponsoring year, so your balance on the first mile is \$ _____.*

Would prefer our signage to be erected on the 1. _____ Trail, if any mile(s) are available.

2. _____ Trail, (2nd choice)

DATA would appreciate hearing from you as soon as possible as we need to make any necessary changes, assign signage to open trail sections and make up any new signage by the first part of November as the signs go out on the trail after mid-November to be seen during the snowmobiling season. Please fill in the appropriate information and mail your response to D.A.T.A. at the above address. Any questions please give us a call at 834-2033.

Thank you,

Douglas Area Trails Association
